

Norwin Chamber of Commerce

2012 Community Superstars

The Community Superstar program began in 2004 as a means to provide foundation for Norwin Chamber of Commerce programs while eliminating repetitive solicitation requests.

Superstar investments are directed to Chamber business development and community enhancement activities planned for the upcoming year. The Community Superstar program creates additional marketing value for businesses by providing "more-for-the-money" to those committing to an early sponsorship package.

This program is an annual investment and may be tax deductible as a business expense. Ask your tax professional for more information. We hope you will consider becoming one of this year's Norwin Chamber of Commerce Community Superstars

Be Recognized as a Community Superstar!
